

IdeaTub — Brand Guidelines

Brand Concept

IdeaTub is a calm personal memory system designed to capture and preserve ideas before they disappear. The brand reflects flow, clarity, and thoughtful organisation.

Tagline

A calm archive for your ideas.

Colour Palette

Name	Hex
Deep Indigo	#1E2547
Neural Teal	#2A8C8C
Memory Violet	#6D6AF7
Cloud White	#F5F7FB
Slate	#5B6472

Typography

Primary Typeface: Inter. Used for all interface and brand text. Alternative: IBM Plex Sans for documentation and editorial use.

Logo Usage

The IdeaTub logo represents a continuous channel of ideas flowing into memory. It should be used with sufficient whitespace and never distorted or recoloured outside the brand palette.

Design Principles

• Calm and minimal • High clarity and whitespace • Avoid productivity style noise • Focus on thoughtful capture and retrieval of ideas
